

Alisha Hameed

Computer Information Technology | Frontend Web Developer

☎ 03265051996

✉ alishh246@gmail.com

📍 Bahawalpur, Punjab, Pakistan

CAREER OBJECTIVE

Motivated and detail-oriented Computer Information Technology student with hands-on experience in frontend web development. Seeking an opportunity to apply practical skills in HTML, CSS, JavaScript, and React to contribute to innovative web projects while continuing to grow professionally in a dynamic technology environment.

EDUCATION

Diploma of Associate Engineering (DAE) — Computer Information Technology

Government College of Technology for Women, Bahawalpur • 2023 – 2026 (In Progress)

Result: 72% Marks

(Matriculation) — Computer Science

Board of Intermediate & Secondary Education, Bahawalpur • Completed 2023

Result: 776 / 1100 Marks

INTERNSHIP EXPERIENCE

Frontend Web Development Intern | Professional Internship Program | 6 Months

Completed an intensive 6-month internship specializing in frontend web development, gaining practical experience across the full modern web development stack:

- **Technologies Mastered:**

- HTML5 — Semantic markup and structured web content
- CSS3 — Responsive layouts, animations, and custom styling
- Tailwind CSS — Utility-first rapid UI development
- Bootstrap — Component-based responsive design framework
- JavaScript (ES6+) — Interactive functionality and DOM manipulation
- React.js — Component-driven single-page application development

- **Projects Developed:**

- Food Delivery App — Full-featured ordering interface with menu browsing and cart functionality built with React and Tailwind CSS
- Weather App — Real-time weather dashboard consuming live API data, displaying forecasts with dynamic UI updates using JavaScript and React
- Property Finder App — Real estate listing platform with search, filter, and property detail views built using React and Bootstrap
- Personal Portfolio App — Responsive professional portfolio website showcasing projects and skills, developed with React and custom CSS
